November 2014

Happy Thanksgiving to All

No meeting this month !!

This holiday season and winter have quickly sprang upon us. Do to timing and other facts it appeared that many would not be able to attend a November meeting. Hopefully after a busy holiday season all will be ready to jump into a new year with renewed patriotic spirit. Please put Ewings Chapter SAR on your items to attend list for 2015.

There is still one opportunity to attend an SAR event planned for 2014. That is the Regional SAR/DAR meeting in Parkersburg. I have included an excerpt from the letter sent to me from Steve Frash, state secretary and member of the host Marietta Chapter. Please consider this event opportunity. You can make reservation by contacting Steve Frash. His information is included at the end of his letter. I plan on attending along with several other members from Ewings Chapter. If you make reservations with Steve please send an email to me also so I will know to expect you.

Our next regular meeting for Ewings Chapter will be January 22, 2015. Mark this on your new 2015 calendar as soon as it arrives. Thanks! wkb

Dear Compatriots,

It is a pleasure to send out this letter and to encourage you and your guests to attend the Regional Holiday Luncheon sponsored by the Capt. James Neal and Marietta SAR Chapters. We will meet at 1:00 PM, Sunday, **December 7** at the Parkersburg Country Club. This will be a very special time and a special program, so, even if you are some distance away or have not been all that active with us, I'm writing to say how nice it would be to see YOU at this event.

We continue to expand this meeting which is now one of the largest joint DAR/SAR gatherings anywhere in the region! We always welcome spouses, prospective members and guests to what is shaping up to be a very festive event.

We will also have a very special program. Dr. Charles Levy, a former Marine Corps intelligence officer and local neurological surgeon, will be our special guest of honor and speaker. Dr. Levy will be speaking on unity in the aftermath of Pearl Harbor.

Sincerely
Steve Frash

October Meeting in Marietta

Our October meeting was our dual meeting with Marietta as the host this year. I was pleased to see 14 members and guest from Ewings attend. We had a great time and heard a great speaker. Thanks, Marietta! wkb
