A corporate office, warehouse, and distribution center now accompany the original manufacturing building in Nelsonville that goes back to 1932. **The Boot Factory grill is located within the old manufacturing facility**, and is the venue for Ewings Chapter SAR April 23, 2015 meeting.

Ewings Chapter will convene at 6:00 pm in the Community Room of the Boot Factory Grill. Members and guests will be given the opportunity to order from the Boot Factory Grill menu. Dinner is on you. The special of the evening is Roast Beef for \$9.00. Last year everyone enjoyed an excellent meal for a very reasonable price. For questions about the meeting or meal please call 740-446-2152 or email me at beegle@hughes.net. RSVP by Wednesday, April 22nd would be appreciated to help with seating arrangements.

The guest speaker for the evening is Harry Barber a state fire marshal for the State of Ohio. A Nelsonville resident who has worked as a State Fire Marshal for many years. Mr. Barber has many interesting stories about local fires of mysterious origin. Please come with those questions you have always wanted to ask the state fire marshal but never had the opportunity to ask. Here is your chance. Also please come with ideas and suggestion for upcoming meetings and nominations for our May awards banquet. We need to set the final nominations for the awards banquet. We accepted nominations for Heroism and Good Citizenship at our March meeting. Other possible awards are Fire Safety, Law Enforcement, EMT and Flag.
