March meeting Rewind

Fantastic! Great meeting! Glad I came! Had a great time! These were the comments I received following the March meeting in Nelsonville at the Rocky Boot Café. I'm not sure what we did differently but looking back it was a very good relaxing meeting. Everyone seemed to enjoy themselves and everyone also seemed to socialize more with one another. It was a nice meeting and everyone also learned something new. Not all meetings will probably be like this, but I will try to continue this momentum. Mike Brooks, former CEO of the company, was our host and speaker and did a great job. A big Thank You goes out to Mike and the staff at the Rocky Boot Café.
